Create a Home Screen Bookmark on Android

This training guide demonstrates how to create a log on bookmark on an Android device.

1. Open a new browser on your Android device.

Please Note:

To find the URL, please reference the confirmation email sent when you initially registered for your website access or contact your Advisor.

Create a Home Screen Bookmark on Android

3. Tap the highlighted icon the bottom of your browser.

12:50		😰 🍀 🕾 📶 41% 🛢
